St. Stephen's School Birati

Syllabus 2025-26

Aims & Objectives of Curriculum

English

- To guide a child to learn English by introducing the letter and easy words in lower classes and focusing on development of effective communication using listening, speaking, reading and writing skill in higher classes.
- To help them develop an elegant cursive writing.
- To help learners read and understand simple words, phrases, sentences, paragraphs, recite rhymes and poems.

Mathematics

- To develop fundamental concepts of numbers, orders, units of measurements, size and shapes.
- To guide students to develop the ability to perform four basic operations.
- To develop special concepts and ability to use them.
- To help children to get accustomed to different shapes and symmetry of objects.

Bengali/Hindi

- Develop understanding of basic literature.
- Develop phonological awareness.
- Appropriate use of phrases, idioms, grammar, etc.
- To garner the willingness to learn the language for effective communication and be an ambassador of cultural intricacies.

EVS

- Develop and understanding of how the natural world around them functions.
- To garner appreciation for all the natural things and develop ownership to their own surroundings by resolving their curiosity towards different environmental issues.

Science

- Develop scientific curiosity among children about science and cultivate a scientific temper.
- To acquire knowledge, conceptual understanding and skills to solve problem and make decision.
- To help them learn scientific reasoning.

Social Studies

- To garner and understanding of functionality of the world, their natural surroundings and assist the child to explore their social and cultural environment.
- To make them law abiding adults.
- To foster the child interest in everything that is affecting the community.

Value Education

- To assist the child to become an adult of strong ethical ground and personality.
- Teach the ideas of integrity, cohesiveness, conformity, cohesion, virtue, gratitude and equality.
- To inculcate good habits and basic manners in child.

St. Stephen's School Birati

Syllabus 2025-26

Art & Craft

- To foster creative development in a child.
- To allow kids to enjoy the autonomy and take initiative in making something new and gain confidence in their work.
- To encourage creative expression of the child by stimulating imagination.

Computer

- To develop a working knowledge of computer technology, learn the facts and information about computers as well as the software used to make work easier.
- To guide students to learn MS- office for writing projects, making presentation, make simple computations using Word, Excel and PowerPoint.
- To develop the ability to read and store a large amount of data and knowledge for data analysis.

St. Stephen's School Birati

Syllabus 2025-26

COMPUTER

UNIT:

SL NO	CONTENT	CONCEPT
1	Computer - A wonderful Machine	Understanding different types of machines and working
2	Uses of a computer	Different uses of computer and places of working
3	Parts of computer	Understanding the different components of computer

TERMINAL:

SL NO	CONTENT	CONCEPT
1	Uses of a computer	Different uses of computer and places of working
2	Using Computers - Do's and Don't	Understanding the dos and don'ts while working on computer
3	Coding - Arrow Code	Understanding the step wise movement of any work by Arrows
4	Using the mouse	Working and different type of mouse

PROJECT: Parts of Computer

FINAL:

SL NO	CONTENT	CONCEPT
1	Parts of Computer	Understanding the different components of computer
2	Using the Keyboard	Working and different type of keyboard
3	Storage Devices	Learning of different storage device of computer
4	Coding - Arrow Code	Understanding the step wise movement of any work by Arrows

PROJECT: Storage Devices

St. Stephen's School Birati

Syllabus 2025-26

ENGLISH GRAMMAR

SL NO.	CHAPTERS	CONTENTS
