## Syllabus 2025-26

### Aims & Objectives of Curriculum

#### English

- To guide a child to learn English by introducing the letter and easy words in lower classes and focusing on development of effective communication using listening, speaking, reading and writing skill in higher classes.
- To help them develop an elegant cursive writing.
- To help learners read and understand simple words, phrases, sentences, paragraphs, recite rhymes and poems.

#### Mathematics

- To develop fundamental concepts of numbers, orders, units of measurements, size and shapes.
- To guide students to develop the ability to perform four basic operations.
- To develop special concepts and ability to use them.
- To help children to get accustomed to different shapes and symmetry of objects.

#### Bengali/Hindi

- Develop understanding of basic literature.
- Develop phonological awareness.
- Appropriate use of phrases, idioms, grammar, etc.
- To garner the willingness to learn the language for effective communication and be an ambassador of cultural intricacies.

#### EVS

- Develop and understanding of how the natural world around them functions.
- To garner appreciation for all the natural things and develop ownership to their own surroundings by resolving their curiosity towards different environmental issues.

#### Science

- Develop scientific curiosity among children about science and cultivate a scientific temper.
- To acquire knowledge, conceptual understanding and skills to solve problem and make decision.
- To help them learn scientific reasoning.

#### Social Studies

- To garner and understanding of functionality of the world, their natural surroundings and assist the child to explore their social and cultural environment.
- To make them law abiding adults.
- To foster the child interest in everything that is affecting the community.

#### Value Education

- To assist the child to become an adult of strong ethical ground and personality.
- Teach the ideas of integrity, cohesiveness, conformity, cohesion, virtue, gratitude and equality.
- To inculcate good habits and basic manners in child.

# St. Stephen's School Birati

## Syllabus 2025-26

### Art & Craft

- To foster creative development in a child.
- To allow kids to enjoy the autonomy and take initiative in making something new and gain confidence in their work.
- To encourage creative expression of the child by stimulating imagination.

### Computer

- To develop a working knowledge of computer technology, learn the facts and information about computers as well as the software used to make work easier.
- To guide students to learn MS- office for writing projects, making presentation, make simple computations using Word, Excel and PowerPoint.
- To develop the ability to read and store a large amount of data and knowledge for data analysis.

## Syllabus 2025-26

### Computer

#### UNIT:

SI No	Content	Concept
1	A Computer System	Hardware, software, working of a computer and types of computers
2	GUI Operating System - An Introduction	Understanding OS, components, setting of background, mouse
3	Word Processor - An Introduction	Knowing the knowledge of MS-Word, formatting and editing

#### TERMINAL:

SI No	Content	Concept
1	GUI Operating System - An Introduction	Understanding OS, components, setting of background, mouse
2	The Internet - An Introduction	Uses of Internet, advantages and disadvantages, safety and netiquette
3	Algorithm & Flowchart	Writing the working of any work step by step with drawing shapes (flowchart)
4	Fun with Paint	Enjoying to draw in Ms Paint application

#### PROJECT: A Computer System

#### FINAL:

SI No	Content	Concept
1	Word Processor - An Introduction	Knowing the knowledge of MS-Word, formatting and editing
2	File Management - Organisation of Folders	Managing files and folders in computer, cut, paste, moving of file and folders
3	LOGO 1	Knowing the step wise movement of making shapes with code
4	LOGO 2	Drawing color shapes and more

#### PROJECT: The Internet - An Introduction
