St. Stephen's School Birati

Syllabus 2025-26

Aims & Objectives of Curriculum

The aim of pre-nursery, nursery and K.G class is to build link between home and school and to create the first exposure to learning in an organised set up. The goal is to provide a rich and varied environment for learning, developing positive emotions and attitude towards learning. Most importantly provide a happy, safe and caring environment for all children.

Aims and Objectives:

1.English language

- To begin learning the language, starting with identification of letters, words and many more to be followed.
- To help kids become able to express themselves through the medium of open communication.
- To foster love for books, reading and writing.
- To create a strong foundation of knowledge.

2. Numeracy/Mathematics:

- To create interest among children about numbers, shapes, etc.
- To develop a sense of calculations around them, to notice and use numbers and use the same to explore the world.
- To develop skills like counting, solving number problems and learning the basics of calculation.

3.English Literature:

- To enable the students to enjoy reading and being capable of creating small narrative stories.
- To develop interest in literature of various authors.
- To create a strong foundation of their entire educational journey.

4.Bengali/Hindi:

- To learn the mother tongue and create the ability to write the language.
- To enable the interest in students to read simple stories of various authors so that they get acquainted with their native language
- To inculcate the importance of learning the language.

5.E.V.S:

- To develop interest among children the understanding of natural world
- To enquire about the reasons of various natural phenomenon.
- To develop an understanding about how the environment works and gather knowledge about its pertaining issues.
